

**Diocese of Belleville**  
***Individual School Wellness Checklist***  
School Year 2022

School Grant Codes \_\_\_\_\_ City \_\_\_\_\_

The school offers a free/reduced breakfast/lunch or milk program funded by the federal government?  yes  no

Note: If yes, an Individual School Wellness Plan is required by Federal Law.

The school food service staff members are:  school/partial employees \_\_\_\_\_ employees of a third party food service contractor. If third party contractor is used, provide the name of the firm: \_\_\_\_\_

**Directions for Completing the Individual School Wellness Plan**

Review each step of the Individual School Wellness Plan below and check the appropriate indicator of the school's response to the step for the 2022 school year. Below is a description of each indicator:

- A. Already Implemented: The school has this step in place during the 2022 school year.
- B. New implementation: The school will implement this step in the first year during the 2022 school year.
- C. Unable to implement at this time: The school is unable to implement this step during the 2022 school year.  
The school should provide an explanation on page 4 of why this step can not be implemented during the 2022 school year and some indication of when it might be implemented in the future.
- D. Unable to implement ever: The school will never be able to respond to this step.  
The school should provide an explanation on page 4 of why this step can never be implemented.

## **Meeting Nutrition Guidelines & Ensuring Healthy Eating Goals**

---

Students will be provided access to a variety of age-appropriate, appealing food and beverage choices that are consistent with the current Dietary Guidelines for Americans.

A.    B.    C.    D.

1. In the school cafeteria, the school will:

- 1.1  — — — offer a variety of fruits and vegetables.  
1.2  — — — serve low-fat (1%) and fat-free milk.  
1.3  — — — ensure whole grain products are served.  
1.4  — — — ensure meals, at a minimum, meet the nutrition requirements and regulations of the National School Lunch Program and School Breakfast Program.

2. For food and beverages sold or provided healthfully (concession machines, school stores and school-sponsored fundraisers, etc.), the school will:

- 2.1  . . . closely monitor and regulate the items sold, ensuring they are consistent with the nutritional goals of the wellness policy.  
2.2  — — — closely monitor and regulate the frequency and nature of school-sponsored fundraisers.  
2.3  — — — make every effort to provide nutritious and appealing foods and beverages, such as fruits, vegetables, low-fat dairy products, whole grain products, whole food and whatever food is sold or otherwise offered at school.

Students will be served in a clean, safe, and pleasant environment and will be provided with an adequate amount of time to eat.

3. The school will:

- 3.1  — — — schedule meal periods in appropriate times with adequate time for students to eat.

- 3.2  — — — ensure all food and beverages provided by the school comply with federal, state, and local food safety and nutrition regulations.
- 3.3  — — — encourage food providers to share information about the nutritional content of school meals and/or individually sold food with students, families and school staff.
- 3.4  — -- .. ensure food service personnel have adequate pre-service training.
- 3.5  — -- .. will not withhold food or beverages as a punishment
- 3.6  — — .. restrict access to food preparation and storage areas to authorized personnel

### **Meeting Physical Activity Goals**

**Students in grades Kindergarten through 12 will have opportunities, support, and encouragement to be physically active on a regular basis while in the school setting.**

- A.    B.    C.    D.
- 4. The school will:**
- 4.1  — — — make sure that each student participates in regularly scheduled formal and informal physical activity programs.
- 4.2  — -- .. provide elementary students with daily supervised recess periods.
- 4.3  — -- .. offer extra-curricular activity programs (intramural events, interscholastic sports, physical activity clubs or other like activities).
- 4.4  — — — not withhold participation in recess or physical education class as punishment.
- 4.5  — — — provide reasonable accommodations for students with disabilities and/or other limitations.
- 4.6  — — — ensure all school physical activity facilities and equipment are safe.
- 4.7  — — — work with the community to create a safe and supportive environment for students walking or biking to school.

## **Meeting Nutrition Education Goals**

---

Students will be provided with nutrition education and physical education to foster lifelong habits of healthy eating and physical activity. Schools will also establish linkages between health education and school meal programs, and with related community services.

A.      B.      C.      D.

5. The school will:

- 5.1     ...      o Teach students sequential and relevant nutrition education.
- 5.2     ...      o include interactive activities such as cooking, measurements, taste testing, field trips, school gardens, or other classroom activities in nutrition education programs.
- 5.3     ...      o work with parents to assist in providing a healthy diet and daily physical activity for their children, which may include information to help parents make healthy eating and physical activity choices, disseminating a list of healthy party food ideas to parents, and teachers.

Provide an explanation for each step checked with a "C" or "D". When "C" was the indicator checked, also provide an indication of when this step will be implemented.

<u>Step</u>	<u>Explanation</u>	<u>Timeline</u>
-------------	--------------------	-----------------

**Meeting Triennial Review of the Plan**

The School will provide documentation that the Plan has been reviewed at a minimum of 3 year intervals.

- A  B  C  D

Describe any other additional efforts being undertaken for the 2022  
Program:

school year as part of the school's Wellness

We have begun offering breakfast to our students. It has been very well received and more students are eating at the beginning of

Please ensure a team including parents, students, representatives of the school food authority, the school board (if applicable), school administrators, and the public implement and continue development of the wellness policy by reviewing this checklist and offering comment. For the team members below:

Team Members:

Michelle Miller
