

GIBAULT

CATHOLIC HIGH SCHOOL

2017 ~~ANNUAL~~ *Gratitude* REPORT

You are a hero!

WHO, ME?

Yes, you. Believe it or not, **you** are the unsung hero of Gibault Catholic High School.

It is not an understatement to say that we would not be here without you. Our donors are a vital part of our success story, and you make us better. You allow us to give our students advantages that only a school like Gibault can provide.

Every year you bless our students with so many extras through your time, talent, and treasure that tuition dollars alone can not provide. This year is no exception, and here is a small peek at a few projects your blessings have accomplished...

COMPUTER LAB:

At the 2017 Oktoberfest, our special project for our paddle raise was to upgrade our computer lab. Though most students carry their own device these days, the lab needed to be upgraded to support the newer, more powerful software programs used by our Graphic Design and Yearbook Classes.

Your generosity allowed us to not only purchase and install 20 new, upgraded computers for the lab, but also to re-wire the lab for safety and to purchase two new laptops for teachers that needed them.

(Continued on page 2)

"We ourselves feel that what we are doing is just a drop in the ocean. But if that drop were not there, I think the ocean would be less by that missing drop."

—Mother Teresa

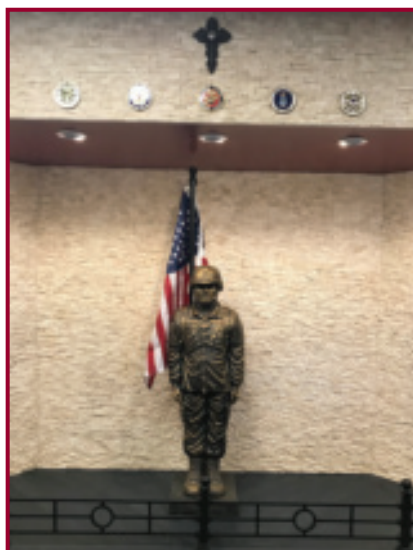

STAGE CURTAINS:

After the Gibault 50th anniversary celebration, alumni from the 1970s were challenged by Carleen Schreder and Marie Costello Schroeder to raise enough money to improve the stage curtains on our stage in the gym, which needed updating and repair. Thanks to so many of you, enough money was donated to replace the front valance and install a new front curtain that can fully open and close! Our theater program is outstanding, and we encourage all of you to attend our upcoming plays and our spring musical. Dates will be posted on our website when they are finalized.

BUILDING UPGRADES:

What would we do without our Men's Club? And what would they do without **you**? These men of all ages and walks of life come together to make Gibault a better place by repairing and upgrading all areas of the Gibault campus. This year the C Building looks brand new, the concession stand in the gym has been completely renovated, and they made some major repairs to the roof and drainage of the gym lobby area. These guys are so vital to Gibault and save us so much money in labor and materials while having a lot of fun, but they can't cover all repairs, so your Annual Fund donations help cover the cost of repairs they can't fix! Contact **Don Francescon** at (636) 725-5721 or franfam@htc.net if you would like to join this great group of men. They are always looking for new people to help with the projects or work the BBQs and events.

Military Wall of Honor

SECURITY CAMERAS:

This was a project that no one wants to need, but in this day and age, it just seemed that this was something that we needed to have in place for the protection of our students, staff, and facilities. We were blessed with a group of donors that were willing to help secure our campus by donating the money needed to fund this important project. The largest donor to this campaign was our Gibault Women's Club. Yes, it used to be called the Mother's Club, but this group is open to all women (including alumni, grandmothers, past parents...) so the name was changed to be more representative of this group. These ladies help on campus all year long, and also run the Taste of the Region and our rummage sales. They are always looking for help, so contact **Katy Hugger** at (618) 719-9911 or hugger06@gmail.com and she will help you get involved!

Can you help us leave no one behind?

We are trying to find the name and branch of service of all our SPP and Gibault alumni who have served in the military. Please contact Andrea at abiske@gibaulthawks.com so we can make sure the alum is included on our new Alumni Military Wall of Honor built by the Men's Club!

No gift is too small, no dream too big

Message from Principal Hart

Fall 2018

Those who know me well, know my favorite 'principal' duty is coaching cross-country. Our team has a motto, it's boldly printed across our shirts- "IT'S NEVER ABOUT THE RUNNING". Our runners know it's about everything else - God, helping others, goal setting, family, successes and failures, determination, hard work and having fun. The motto is unique to Gibault Cross Country, but it also reflects the way our school approaches all things, all activities.

Activities outside the classroom play a significant role in a student's overall development to become a life-long learner, a responsible citizen, and a witness to his/her faith. As you enjoy our top-notch athletics, theater program and other events, I encourage you to prayerfully consider how you can help Gibault Catholic High School continue to develop our future leaders.

Our Annual Fund is the primary resource by which we are able to provide the needed funds to deliver quality academic programs and extra-curricular student activities. We could not provide the same quality activities, in which nearly 90% of our Hawks participate, without your financial support. These activities help provide the well-rounded education for which we have become known.

When you contribute to the Annual Fund you help build and maintain our school programs and allow us to continue to provide what is necessary for our young people to continue to grow in knowledge and faith.

We look forward to seeing you at the many upcoming events that make our school unique and thank you in advance for your support.

Blessings,

Please Pray...

Our loving Father in heaven,
please bless all of our alumni and Gibault family
members and friends who have come home to you.
Let them know how blessed we were to know them,
and thank them for all the good works they have done
in this world, both seen and unseen.

We pray in a special way for all of those who were
thoughtful enough to support the Gibault Catholic High
School students of tomorrow with a final lasting gift,
because to teach a child is to touch the future. Help us
all to be good stewards of their trust and gifts.

Amen

Your Annual Fund donation directly impacts every student at Gibault

YOUR GIFTS...

CAN YOU HELP FILL THE GAP?

Our variable tuition helps families give their child the benefit of a Gibault education by matching the cost of tuition to the family's financial position. But for all students there is a GAP, in that to keep tuition for a quality Catholic education as affordable as possible for everyone, tuition alone does not cover the true cost of educating a student. **Every student** at Gibault Catholic High School is receiving financial assistance thanks to our feeder Parishes, fundraisers like the Oktoberfest and Raffle-Mania, and supporters like **you**. For the 2018-19 school year, the gap between the cost to educate a student and the parishioner tuition rate is \$2,742 per student.

Can you help close the gap?

GCHS ANNUAL FUND

Sustains the programs, activities, and maintenance not covered by tuition.

Your gift to our Annual Fund is the most direct way to support our students • our mission • our vision.

So many opportunities would not be available without the critical funding that the Gibault Annual Fund provides. Your donation to the Annual Fund impacts every aspect of the Gibault experience, including academic and athletic trips, classroom materials, supplies, and keeping the campus and patio in good repair.

Please consider making a gift today, we count on you!

Your gift will go to work immediately building a stronger Gibault, and ensuring the future of our school for a new generation of Hawks.

...PAY HUGE DIVIDENDS!

*Because of your gifts, our students are better
prepared for the future*
