

GIBAULT

CATHOLIC HIGH SCHOOL

2020-21 ~~ANNUAL~~ *Gratitude* REPORT

It's more than numbers.

It's IMPACT.

Every gift you give makes a difference.

Message from Principal Steve Kidd

I want to take a moment to say thanks to the many people who have helped Gibault Catholic in the last year. Our campus has undergone some changes and improvements in many areas. Our Chemistry Lab renovation is complete and provides our students with an updated laboratory and classroom environment. We relocated our library to a new area of the school; many of you will know it as the old computer lab. We refreshed our guest locker rooms. Our brick paver Prayer Garden will be going in this fall, as well. Plans are in place to transform the old library into a state-of-the-art learning space for our students. With support from our Men's and Women's Clubs and gifts and donations from the many friends of Gibault, we will continue to modernize our campus to meet the ever-changing needs of our students.

I also want to say thanks to our staff for teaching in the most difficult times in recent history. There is not a school anywhere that did better than Gibault during the pandemic. Gibault was open the entire year for its students and completed its regularly planned curriculum; not many schools can say that. It was due to our staff's unwavering dedication to educate our students.

This fall, we welcomed the biggest freshman class at Gibault in many years, and it is still growing. This is the fifty-fifth freshman class to enter Gibault; and ironically, we welcomed fifty-five new Hawks. Our classrooms are filling up fast! As we move forward, we continue to rely on the kindness of our alumni and friends. Please accept our fondest appreciation for your support and gifts of time, treasure, and talent. We hope you will continue to support Gibault Catholic High School in whatever way you can. We have a lot we want to accomplish in the next few years!

I hope to see many of you at our upcoming Hawk-toberfest on October 23. This is the 50th annual dinner auction and is sure to celebrate all things Gibault. If you haven't been in a few years, this will be a memorable evening to attend and see all the positive things happening within our Gibault community.

May God's peace and grace be with you and all of your families.

A handwritten signature in blue ink that reads "Steve Kidd".

YOUR GIFT. YOUR IMPACT.

TIME • TALENT • PRAYER

Our faith and our volunteers are the lifeline of Gibault. We are blessed to have a strong and involved Gibault Men's Club and Women's Club as the backbone and core of our volunteers. We are stronger when we work together!

**Your time and talent

Come get involved at Gibault!

A win-win scholarship opportunity through Empower Illinois

You may pay up front, but you will receive a 75% income tax CREDIT on your taxes for money donated through Empower Illinois (this can mean a refund or less taxes owed).

For example: If you donate \$1,000 to EI and designate Gibault to receive the scholarship money, qualified Gibault students receive \$1,000 in scholarships. When you get ready to file your taxes, you receive a \$750 tax credit for "taxes" already paid. In the end, it only costs you \$250 to give \$1,000 in scholarships to our students most in need!

Check out this program that funds Gibault scholarships for our families within 300% of the poverty line. We have many students every year that qualify, but have yet to have enough funding to help every one of these families.

Go online to **empowerillinois.org/donate**
and click "How to Donate—Step by Step Guide"

Contact our Director of Finance Aubrie (618-939-3883 or aswafford@gibaulthawks.com)
or contact your tax advisor for more details and information.

Donations made December 1 or later will be awarded for our 2022/2023 school year.
Donations completed prior to December 1 will benefit the families still waiting for help.
