

Position Available: Agricultural Science Teacher

Gibault Catholic High School, a co-ed high school located in Waterloo, IL, is currently seeking a full time Science Teacher for the 2024-2025 school year. Gibault Catholic High School is committed to providing a faith-filled, student centered environment that strives for academic excellence.

Responsibilities:

- Plans, prepares, and delivers engaging and interactive science lessons in alignment with Illinois State Standards.
- Demonstrates appropriate short and long-term preparation for classroom instruction.
- Creates a positive and inclusive learning environment that encourages students' participation and fosters critical thinking skills.
- Uses a variety of teaching techniques, strategies, materials, and technology to maximize the learning of each student, individually and in a group setting.
- Holds high expectations for all students and serves as a facilitator of student learning.
- Assesses student learning through a variety of methods and uses the results to adjust instruction as needed.
- Communicates student's progress to students and parents.
- Effectively manages the classroom environment.

Qualifications:

- Bachelor's degree in Science, Education, or related field (Master's degree preferred).
- State teaching certification/license in Science.
- A deep commitment to Catholic education and the mission of Gibault Catholic High School.
- Dedicated to continuous improvement and professional growth.
- Ability to work collaboratively in a team environment.

To Apply:

Send cover letter, resume, and a list of references to Katie Robben, President, 501 Columbia Ave., Waterloo, Illinois 62298 or email to krobben@gibalthawks.com. Employment is contingent on successful completion of a background check.

Posting will remain open until the job is filled.
